# REGULAR BOARD MEETING Station #1 – 2860 Southwest Drive – Sedona – Multipurpose Room Tuesday, February 18, 2025 / 3:00 PM

~ MINUTES ~

### I. CALL TO ORDER/ROLL CALL

Pursuant to notice, a regular meeting of the Sedona Fire District (SFD) was called to order by Chair Helen McNeal at 3:03 PM on Tuesday, February 18, 2025. Executive Assistant, Kim Smathers, recorded the minutes. A quorum was present, and the meeting, having been duly convened, was ready to proceed with business.

Board Present: Helen McNeal – Chair; Corrie Cooperman – Clerk; Scott Springett, Diana Christensen and Lance Waldrop – Members. Others Present: Fire Chief Ed Mezulis; Division Chief Jordan Baker; Interim Fire Marshall Kirk Riddell; Gabe Buldra, JVG; Bill Whittington, Attorney; and Executive Assistant Smathers - Recorder.

## A. Salute to the Flag of the United States of America and Moment of Silence to Honor all American Men and Women in Service to Our Country, Firefighters, and Police Officers.

Chair McNeal led the Pledge of Allegiance and Chief Ed Mezulis requested a Moment of Silence for the four Police Officers and five firefighters who have passed away since the previous Board Meeting. Recorder Smathers called the roll; all board members were present.

#### **II. BUDGET WORKSHOP**

Gabe Buldra, Finance Director, outlined the budget process for the board. He noted that there was a 5.8% increase in property valuation which adds approximately \$1.18 million to the budget for FY26. There were several questions about how what is happening at the federal level will affect SFD. Mr. Buldra stated that he feels that there will be more impact at the state level and more focus on local resources, as the feds seem to be eliminating federal hotshot crews. Chief Mezulis stated that the State level is more concerning, but he also feels that there will be an impact on grant availability.

Mr. Buldra stated that the only foreseeable hit to the budget will be the \$300K in pension costs, Workers Compensation costs look to stay static. Budget worksheets have gone out to the staff and the requests are due in and total number should be estimated in March. Chief Mezulis noted that it is getting harder to rework the capital plan effectively because of the timelines and cost increases for vehicles, especially fire engines, which have increased to almost double in price and double the delivery time of SFDs last two purchased engines.

### **III. REGULAR BUSINESS MEETING**

- A. Public Forum:
  - 1. Public Comments
  - Executive Staff Response to Public Comments
     There were no requests from the public to speak.
- B. Consent Agenda Discussion/Possible Actions:
  - 1. January 21, 2025, Regular and Executive Session minutes

Clerk Cooperman made the motion to approve the Consent Agenda, as presented and Member Waldrop seconded. There was no further discussion, and the motion was passed unanimously.

- C. Financial Report and Updates Gabe Buldra, JVG
- 1. Mr. Buldra briefed the Board about the financial status of Sedona Fire District, Mr. Buldra briefed that tax collection continues to lag, so revenue was not as high as anticipated, but it is just a timing issue, and he feels no cause to be concerned at this point. SFD received reimbursement for hurricane response activities from FEMA. At this point in the year, there is 56% of the budget remaining.

Chair McNeal motioned to approve the January Budget Report, which Member Waldrop seconded. There were no further questions, and the motion passed unanimously.

#### D. Staff Items:

- 1. January 2024 Monthly Staff Report
  - a. Operations Activities Assistant Chief Jayson Coil
    - i. Significant Events
      - a. All-Hazard
      - b. Emerging Issues
    - i. Human Resources
      - c. Significant Issues
    - ii. Administration
      - a. Upcoming Events
      - b. News & Activities

Chief Mezulis reported for Chief Coil, who was on vacation leave. Operations continues to push on, not a lot of significant events in January, but still a busy month.

The IT position remains open, with over 100 resumes being evaluated down to approximately 20 candidates to be reviewed.

Chief Coil will be representing SFD in the lawsuit, working with the insurance company to resolve.

There are eight candidates who are qualified to test for the Captain's Assessment Center being held next week.

Three of the four new hire candidates have completed their pre-employment process and are ready to go on March 31, 2025.

- b. Community Risk Reduction Activities –Interim Division Chief Kirk Riddell
  - i. Inspection Activities
  - ii. Fire Investigations
  - iii. Notable Events
  - iv. Fire Marshal Safety Message

Acting Fire Marshal Riddell discussed types and monthly numbers of inspections, breaking them out on his slides, and detailing how many inspections and re-inspections are necessary, per item.

FireWise has been a big issue lately, with daily engagement with the community. There will be a Wildland Urban Assessor training in Sedona on March 20, with 30 seats available. The City of Sedona is sending people to be trained and Riddell feels that seats will fill fast.

Marshal Riddell has weekly meetings on Forest Road and parking garage and both are in compliance. He is engaged with the construction process and there is no need to think that there is anything amiss on those projects.

St. Patrick's Day parade is scheduled for March 15, and two long-distance runs are upcoming. Fire Marshal Riddell's safety message was about winter hiking/running. Making sure to be aware of weather

conditions, dressing appropriately, staying well hydrated are the main factors.

Chair McNeal asked about status of the public forum meeting that is being scheduled with the City of Sedona and other stakeholders. Chief Mezulis noted that it will take place the first week of April, but there are a couple of stakeholders who have yet to respond. It will be held at the Performing Arts Center.

- c. EMS, Fleet, Telecom Division Chief Lechowski
  - i. EMS Activities and Updates
  - ii. Fleet Activities and Updates
  - iii. Other Updates

Division Chief Lechowski was also on vacation leave tonight, so his briefing was handled by Chief Mezulis. The new mechanic is doing a great job and getting up to speed quickly. The Type-6 is in the state and scheduled to be on-site in 2-3 weeks. Member Waldrop asked why SFD went with a gas truck rather than a diesel for a wildland vehicle. Chief Mezulis noted that this is a second mechanic vehicle, for the new mechanic, not a wildland vehicle, and the gas engine performs better for the activities associated.

The IT project manager has been meeting with the City of Sedona and aligning the installations of both sets of infrastructure, specifically generators and tower infrastructure. The second IT position to assist Josh Clounch is posted and the two radio techs are halfway through their tower classes and certifications.

Chair McNeal stated that she wanted to thank the Chief and Bob for their involvement with assisting the City of Sedona in getting their plans in place, as she feels that helped the goodwill towards the land purchase.

A benefits conference for spouses, etc., is being held next month including Verde Valley FD and Copper Canyon FD personnel and significant others. SFD is providing day care so that is not an issue. This will inform families of the benefits available to them, through their SFD programs.

EMS is tangled with legislative roadblocks and there seems to be a hesitancy to move forward by stakeholders until that is resolved. Many networking contacts and projects that Chief Lechowski has been building are now not in the positions or not responsive.

Last week there was a "sim"-bulance on-site at SFD. This simulates calls and is a training mechanism. Chief Mezulis reported that the operators stated that SFD was one of the most professional and engaged staff they had worked with, statewide.

- d. Preparedness & Training Division Chief Jordan Baker
  - i. Division Updates and Activities
  - ii. Training Report

Division Chief Baker reported that all operational staff have been through a live fire exercise, which is the first one since 2017. All staff completed in one week and will henceforth be on a three-year training rotation. The captain's task books have been evaluated and the assessment center is next week for testing of eight

The captain's task books have been evaluated and the assessment center is next week for testing of eight qualified candidates.

Four new hires will start their academy on March 31, with the 31<sup>st</sup> being the welcome potluck. Baker invited the Board to attend the potluck and welcome.

Member Waldrop stated that he thought he had a vehicle for extrication training.

There will be a Regional Training Officer meeting on March 5, beginning a quarterly meeting, to standardize regional training and create a master regional training calendar.

DC Baker reviewed his slide information, noting important training that was met, or is ongoing, along with wellness activities that are ongoing.

There are three career fairs scheduled for the next few weeks with upcoming fairs at Red Rocks High School and Yavapai College.

- e. Fire Chief Report Fire Chief Mezulis
  - i. Call Volume & Response Review
    - a. Incident Summary and Year-to-Date Comparison
    - b. Station Responses
    - c. Response Times

- ii. Purchases over \$10K
- iii. Community Thanks & Appreciation

Chief Mezulis began by noting the number of interactions and engagements with groups and citizens within the District regarding community concerns since the California wildfires. He has also been busy with Meet & Confer meetings with local labor, most of whom are first time labor representatives.

Chief Mezulis relayed incident numbers and response times and reviewed his response times slide and the donation/community thanks regarding the CPR class.

E. Discussion/Possible Action: Possible approval of BAC for purchase of fleet 2025 Ford F350 4x4 pickup including service body upfit, in an amount not to exceed \$70,000.00 from Sanderson Ford. Chief Mezulis noted that this is a budgeted, scheduled replacement. The cost of repairing it is not worth the value of the current 20-year-old vehicle.

Clerk Cooperman made a motion to approve the BAC, as stated. Member Christensen seconded the motion, there was no further discussion, and the motion passed unanimously.

F. Board Member Updates and Ideas for Future Meetings.

Chair McNeal changed the order of the agenda to have Clerk Cooperman provide a briefing on her attendance at the Mental Wellness for First Responders Conference. Clerk Cooperman briefed about the topics covered and the importance of early intervention and peer support programs.

Member Waldrop mentioned being approached by constituents regarding the problems with insurance. Chief Mezulis reiterated that Chief Coil will be working through Arizona Fire Chief's Association with insurance companies. This is not just a Sedona problem, several states are experiencing the same issues with obtaining and keeping insurance in the wildland areas, but the risk factors, etc. are arbitrary and not correctly identified. Chair McNeal stated that the \$9,900 grant from the Arizona Community Foundation that was supported by the Board for Rescue Retrievers was approved and the money has been received.

#### VI. EXECUTIVE SESSION

These actions were switched to allow Finance Director Buldra to give his input regarding the property purchase and then leave.

- A. Possible vote to go into Executive Session for personnel matters pursuant to ARS §38-431.03 (A)(1) and legal advice pursuant to ARS §38.431.03(A)(3) re: for discussion of Fire Chief's quarterly evaluation and legal advice regarding same.
- B. Discussion/Possible action: For legal advice pursuant to ARS §38-431.03(A)(3), and possible instruction to legal counsel pursuant to ARS §38-431.03(A)(4), and possible instructions to District's representative pursuant to ARS §38-431.03(A)(7), re: possible acquisition of City of Sedona real property and contracts relating to the same.

#### VII. RECONVENE TO PUBLIC SESSION

A. Discussion/Possible Action: Possible approval of Fire Chief's evaluation for Second Quarter, as discussed in Executive Session.

Chair McNeal made a motion to approve the Fire Chief's Quarterly Evaluation for the Second Quarter as discussed in Executive Session, noting that the Chief's performance has been excellent. Member Springett seconded the motion, there was no further discussion and the motion was unanimously approved.

B. Discussion/Possible Action: Possible approval of contract(s); pursuant to ARS §38.431.03(A)(7) possible authorizations re: execution of same.

Chair McNeal made a motion to authorize the Chief to execute the contract for the purchase of the property with the contract provided by the City of Sedona for the purchase of 401 Jordan Road for Two million, two hundred thirty thousand dollars subject to the Chief's review and approval of the attachments. Clerk Cooperman seconded, there was no further discussion and the motion passed unanimously.

| Chair McNeal adjourned the meeting at 5:44 p.m. |

Project/issue relates to SFD Strategic Plan  $\qquad$  or Not Applicable  $\qquad X \qquad .$ 

**ISSUE:** Approval of purchase order in the amount of \$60,000 to WCI Consulting dba HingePoint for SharePoint Migration Project.

**BACKGROUND:** The current SharePoint site is an end-of-life onsite SFD hosted server running on software from 2013. The organization of the site and the files are out of date and unkempt. The site can only be accessed through Sedona Fire internal internet or through Sedona Fire Provided VPN and configuration.

**FINANCIAL PERSPECTIVE:** The current SharePoint software is no longer supported by Microsoft and the site itself hasn't been updated or worked on in many years. It costs time and money to keep the server hosting the SharePoint software updated. The new site will provide a homepage resource for Sedona Fire District Employees to access files, upcoming event information, documentation and calendar data via the cloud from any device. This will also lay the groundwork to build automated systems like class requests and allowing faster access to needed data, saving future manhours.

#### PROS & CONS:

Pros: Can access SFD internal resources without the need for a VPN, saved costs on not needing to replace an onsite server, revamped resources for all SFD employees, a shared master calendar for better collaboration between departments.

Cons: User Training will be needed to acclimate to the new site, cloud-based service, so no internet means no site access

**INTERNAL PROCESS PERSPECTIVE:** The current SharePoint is widely used for access to external links and a few internal documents but not much else, so SharePoint has never really lived up to its potential. The problem is that the current site is too old to really work anymore when we have a better solution through office 365 updated SharePoint. The new site will allow better and easier access to internal resources as well as give much needed features to the operation of Sedona Fire as a whole, such as a shared master calendar that ties all department calendars into one, or the ability to access shared drives without the need for a VPN connection when in the field or remote. The goal of this project is to make a digital "home base" for all SFD employees to utilize when needing a document or resource

**FIRE CHIEF RECOMMENDATION:** I recommend approval of this software. This platform will allow us to migrate to a common calendar for the district's activities. Additionally, this platform will allow us to migrate and upgrade our policy and procedure manual to a common place.

Project/issue relates to SFD Strategic Plan \_x\_\_\_\_ or Not Applicable \_ \_\_\_\_.

#### **ISSUE:**

Purchase of 15 sets of turnouts to continue with SFD strategic replacement. This request is currently budgeted.

#### **BACKGROUND:**

[] Other (Explain)

To remain compliant with NFPA 1851, SFD purchases approximately 15 sets of turnouts per year to ensure all turnouts remain within the 10-year maximum service life. To support cancer mitigation efforts, all firefighters will be equipped with two sets of operational turnouts, each maintained under the maximum 10-year shelf life. New sets will be rotated every five years to maintain this standard.

**FINANCIAL PERSPECTIVE:** Total cost of this capital purchase is \$63,203.75

PROS & CONS: This purchase maintains our commitment to having two sets of turnout gear for our operational employees. This is part of our Cancer prevention strategy.

INTERNAL PROCESS PERSPECTIVE: Ensures members have serviceable turnout gear while their second pair is being cleaned or maintained.

**BOARD ATTORNEY APPROVAL:** (N/A)

FIRE CHIEF RECOMMENDATION: I recommend the approval of the purchase in the amount of \$63,203.75 for firefighting turnout gear.

FINANCE SECTION APPROVAL: N/A **MOTION(S):** 

I move to approve the purchase of turnout gear for operational staff in the amount of \$63,203.75 from the Swift Group, LLC.

I move to deny approval (include the necessary verbiage).

Project/issue relates to SFD Strategic Plan \_\_X\_\_ or Not Applicable \_ \_\_\_.

**ISSUE:** Sedona Fire District (SFD) is seeking to "enhance pre-hospital delivery of emergency medical services" (2018 SFD Strategic Plan, pg. 16) to our community through the purchase of industry standard video laryngoscopy cameras and the associated consumables deployed during their use, in an amount not to exceed \$53,000.00.

**BACKGROUND:** SFD paramedics treat and manage breathing and airway problems that occur within our district on a regular basis. Many of these issues require skilled visualization and insertion of airway adjuncts to provide or assist in breathing adequately for our patients. Additionally, SFD is the only agency in the Verde Valley that is approved by our medical director to perform high-risk airway management using paralytics during rapid-sequence-induction (RSI) of an endotracheal tube into the trachea. The industry standard, first-line method for inserting these endotracheal tubes is via video laryngoscopy.

Additionally, our existing adjuncts that assist in visualizing the patient's airway, while leading edge over a decade ago when originally purchased, are now end of life, failing, and unreliable.

The system that we are proposing to purchase, GlideScope Go, represents contemporary technology that is ruggedized for our diverse landscape of operations.

The number within this purchase proposal outfits each Paramedic Engine Company and each Paramedic Ambulance.

If SFD moves forward with the purchase of this equipment, GlideScope trains every SFD provider during hands on skills labs.

**FINANCIAL PERSPECTIVE:** This purchase is budgeted and shown within the SFD Capital Plan for the current fiscal year.

To offset the total cost, SFD will be utilizing \$10,000 that was granted to us from a grateful citizen. We will also receive a \$5,500 credit for trading in our aged equipment.

**PROS & CONS:** This equipment and associated training enhances service delivery and prepares our responders by placing the most effective means for airway management into their hands. It aligns with the strategic plan and industry standards in EMS. It is also recommended by our medical director.

**BOARD ATTORNEY APPROVAL:** (*If Applicable*)

FIRE CHIEF RECOMMENDATION: It is recommended that approval to spend funds to purchase the GlideScope Go systems for our engines and ambulances.

FINANCE SECTION APPROVAL: GlideScope Verathon is the sole provider of these devices.

#### **MOTION(S):**

I move to approve the expenditure to purchase the GlideScope Go systems from GLideScope Verathon, total price not to exceed \$53,000.

#### PROJECT DESCRIPTION

The project will require the design of the new Fire Station No. 4 to be built on 401 Jordan Rd., Sedona, AZ 86336. The specific building location on the site has not been determined at the time of this request.

The property is approximately 1.63 acres in size, relatively rectangular in shape, and may have some existing setbacks and easements that will affect the overall use and placement of buildings and driveways. A single story solution is desired.

#### SCOPE OF WORK

This solicitation and any resultant contract award are contingent upon the District successfully closing the project site (401 Jordan Rd., Sedona, AZ 86336). The District reserves the right to cancel or postpone this RFQ if the property acquisition is not completed as anticipated. In such an event, the District shall not be liable for any costs incurred by the applicant-firms in response to this RFQ.

Fire Station No. 4 is proposed to be a single-story fire station with the following:

- Three (3) apparatus bays
- One (1) pull-through bay for a command vehicle
- A minimum of eight (8) dormitories
- Standard fire station amenities (e.g., kitchen, dining, day room, exercise space, restrooms, etc.)
- A whole station generator
- A potential meeting room for staff and public use
- · Parking, hardscape, landscape, irrigation, and security lighting
- Architectural elements, landscape, and hardscape to blend with the surrounding community

It is anticipated that this project will utilize a construction manager at risk (CMAR) contract.

The consultant shall have demonstrated experience in design and construction administration and observation on similar projects.

The selected firm will be responsible for the full scope of architectural design services, including but not limited to:

#### 1. Design Services:

- Develop project program to meet District operational needs
- Design and prepare project plans and specifications for the construction of the fire station, including site build out
- · Conduct geotechnical engineering and investigations
- Investigate and design utilities and infrastructure for project development, including but not limited to water, sewer, stormwater, and coordination with utility providers (electric, gas, telecommunications).
- Work with the District for space planning and layout requirements to meet operational needs
- Provide cost estimates for the project construction
- Work with stakeholders from various agencies as required

- Coordinate with the CMAR in developing design documents
- Review and provide recommendations regarding cost models/GMPs provided by the CMAR contractor
- Assist in the value engineering process
- Participate in community outreach and public information efforts as required
- Other services as required to support successful project completion and the District interests

#### 2. Possible Construction Administration and Observation (CA&O)

- Provide general project administration and construction observation to ensure compliance with the project plans and specifications
- Act as the District's representative during construction, assisting with oversight and contract compliance
- Develop project schedule in coordination with the CMAR contractor
- Provide daily interaction with the contractor to clarify job requirements
- Hold on-site and off-site meetings as appropriate with Contractor, District staff, impacted third
  parties, utilities, and agencies as required
- Assist with or conduct construction meetings
- Review contractor shop drawings and submittals
- Review and certify monthly progress payments
- Review and approve monthly pay requests
- Schedule, conduct, and provide documentation for regular progress meetings with the District
- Respond to Requests for Information (RFIs) and Change Order requests, issuing interpretations and clarifications of the construction documents
- Verify compliance with contract documents
- Prepare weekly observation reports detailing construction progress to keep the District informed of project status and issues
- Perform record-keeping and maintain project documents, including correspondence, schedules, submittals, test data, payments, meeting minutes, specifications, drawings, photographs, shop drawings, and as-builts
- Conduct substantial completion walkthrough
- Issue recommendations for substantial completion
- Review contractor's record drawings monthly and prepare final record drawings
- Develop and track punch lists
- Conduct pre-final and final walkthroughs
- Conduct a one-year warranty walkthrough
- Other services as required to support the successful completion of the work and the District's interests

#### PRE-SUBMITTAL MEETING

A pre-submittal meeting will be held. At this meeting District staff will discuss the scope of work, general project requirements, and respond to questions from the attendees. It is strongly recommended that interested firms attend the pre-submittal meeting. Inquiries regarding the project scope outside of this pre-submittal meeting must be directed to the Fire Chief, Ed Mezulis.

#### STATEMENT OF QUALIFICATIONS EVALUATION CRITERIA (100 points)

A firm will be selected through a qualifications-based selection process based on the criteria below. Subcriteria are listed in order of importance in relation to project services.

1. Design Experience of the Firm (20 points)

Describe the experience and qualifications of the prime firm in providing architectural design services for similar projects. Identify at least three (3) but no more than five (5) relevant projects the submitting firm has completed. All projects submitted must have been completed within the last seven (7) years. For each project listed, provide:

- a. Description of the project including scope, type of project delivery and project owner.
- b. Include references for each project, including project owner's name, title, organization, current phone number, and current email address.
- c. Role of the firm and explain how this relates to the services being solicited.
- d. Project's original contract value, final contract value, and reason for variance (if any).
- e. Project's start date and completion date.
- 2. Construction Administration and Observation Experience of the Firm (10 points)

Describe the experience and qualifications of the firm in providing construction administration and observation services (CA&O) for similar projects. Identify at least three (3) but no more than five (5) relevant projects the submitting firm has completed. Include assigned CA&O personnel if different from personnel performing architectural services. All projects submitted must have been completed within the last seven (7) years. For each project listed, provide:

- a. Description of the project including scope, type of project delivery and project owner.
- b. Include references for each project, including project owner's name, title, organization, current phone number, and current email address.
- c. Role of the firm and explain how this relates to the services being solicited.
- d. Project's original contract value, final contract value, and reason for variance (if any).
- e. Project's start date and completion date.

3. Design Experience of the Key Personnel and Subconsultants (20 points)

Describe the experience and qualifications of the specific project team expected to be assigned to this project in providing architectural design services for similar projects. For each key person identified, list their length of time with the firm. List each key person's role in the projects provided. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. For each project listed, provide:

- a. Description of the project including scope, type of project delivery and project owner.
- b. Include references for each project, including project owner's name, title, organization, current phone number, and current email address.
- c. Role of the team or team member and explain how this relates to the services being solicited.
- d. Project's original contract value, final contract value, and reason for variance.
- e. Project's start date and completion date.
- 4. Construction Administration and Observation Experience of Key Personnel and Subconsultants (10 points)

Describe the experience and qualifications of the project team expected to be assigned to this project in providing construction administration and observation services for similar projects. For each key person identified, list their length of time with the firm. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. Include assigned CA&O personnel if different from personnel performing architectural services. For each project listed, provide:

- a. Description of the project including scope, type of project delivery and project owner.
- b. Include references for each project, including project owner's name, title, organization, current phone number, and current email address.
- c. Role of the team or team member and explain how this relates to the services being solicited.
- d. Project's original contract value, final contract value, and reason for variance.
- e. Project's start date and completion date.
- 5. Project Understanding and Approach (35 points)

Describe your firm's understanding of the Sedona Fire District's needs for this project, including:

- a. Team's approach to a fire station project, including important considerations such as scope, schedule, and budget.
- b. Important considerations such as project issues and challenges. Provide examples of three (3) anticipated project challenges and how they were solved in prior projects.
- c. Important considerations such as project size, apparatus circulation, neighborhood presence, and offsite utility coordination.
- d. Describe your firm's method and approach to Construction Manager at Risk (CMAR) project delivery.
- e. Describe your firm's conflict communication plan; what is your proposed escalation ladder?
- f. Provide an understanding and approach of the area, knowledge of the community and demonstrate experience with successfully communicating and relating with the cultural community of a project location.

#### 6. Staffing Information for Key Personnel (5 points)

Please provide the following information:

- a. Team's availability and commitment to the project, including subconsultants.
- b. Team's plan to maintain continuity of the proposed services.
- c. Organization chart showing key personnel, current professional licenses, or certifications, and assigned roles for both Design and Construction Administration and Observation services for the project.
- d. Identify the following key personnel: Lead Project Manager, Cost Estimator, Civil/Site, Structural and MPE Engineers of Record, Architect of Record (if different from Lead), Project Designer (if different from lead), Project Architect (if different from lead) and Landscape Architect. Note: All positions must be licensed in the State of Arizona. The Firm may also include resume data for other personnel that you consider key.
- e. Identify the location of the lead firm's principal office and the home office location of key staff on this project.

#### SUBMITTAL REQUIREMENTS

#### **GROUNDS FOR DISQUALIFICATION**

The following will be grounds for disqualification, and will be strictly enforced:

- Submitting a Statement of Qualifications after the due date and time.
- Submitting a Statement of Qualifications to the assigned Contracts Specialist for a different project.
- Violating the "Contact with District Employees" policy contained in this RFQ.

#### SELECTION PROCESS AND SCHEDULE

Interested firms will submit a SOQ. The firm will be selected through a qualifications-based selection process. A selection committee will evaluate each SOQ per the criteria set forth in "Statement of Qualifications Evaluation Criteria" section above. The District, in its sole discretion, may select at least three (3), but not more than five (5) firms to be shortlisted for interviews, or the District may select a firm based solely on the scoring of the SOQs and reference checks.

Interviews may be conducted. If the District determines that interviews will be held, then finalists from the SOQ evaluation will be invited to participate in detailed interviews. A letter to each finalist will contain the evaluation criteria to be used during the interview presentation. Interview evaluations to select the highest qualified firm include scores from the SOQ evaluation process. The District may conduct a due diligence review on the firm receiving the highest evaluation.

The District will enter into negotiations with the selected firm and execute a contract upon completion of negotiation of fees, contract terms, and District Governing Board approval.

The following tentative timetable has been prepared for this project. Firms interested in this project must be available on the dates as specified below.

| Issuance of Request for Statement of Qualifications |
|---|
| Pre-Submittal Meeting                               |
| Deadline for questions                              |
| Response to RFQ Due                                 |
| Selection/Evaluation Committee makes selection      |
| Selection/Interview Notification                    |
| Interviews (if applicable)                          |
| District Board Meeting to Approve                   |

If the District is unsuccessful in negotiating a contract with the best-qualified firm, the District may then negotiate with the next most qualified firm until a contract is executed, or the District may decide to terminate the selection process. Once a contract is executed with the successful firm, the procurement is complete.

The selected firm shall comply with Arizona Revised Statutes, including Title 34 thereof.

#### **GENERAL INFORMATION**

- 1. **District Reservation of Rights.** The District hereby reserves the right to:
  - a. Reject any or all Statements of Qualifications, or portions thereof;
  - b. Waive any immaterial defect or informality in any Statement of Qualifications;
  - c. Reissue a Request for Statement of Qualifications; or
  - d. To be the sole judge of the merits of the respective Statements of Qualifications received.
- 2. **Changes to the Request for Statements of Qualifications.** Any changes to this RFQ will be in the form of a notification posted on the District's website (<a href="www.sedonafire.org">www.sedonafire.org</a>). The District shall not be responsible for any oral instructions. It shall be the responsibility of the applicant-firm to determine if a notification has been posted or to contact the District to determine is a notification has been issued.
- 3. **Contact with District Employees.** This policy is intended to create a level-playing field for all applicant-firms, to ensure that contracts are awarded in public, and to protect the integrity of the selection process. **OFFERORS WHO VIOLATE THIS POLICY MAY BE DISQAULIFIED.**

Beginning on the date the RFQ is issued and continuing until the contract is awarded or the RFQ is withdrawn, all individuals or entities responding to this RFQ—including their employees, agents, representatives, proposed partners, subcontractors, joint ventures, or any lobbyists or attorneys acting on their behalf (collectively, the "Proposer")—shall refrain from direct or indirect contact regarding this RFQ with any member of the selection panel, District staff, or members of the Sedona Fire District Governing Board, except for the designated point of contact identified in this RFQ.

Proposers may continue to conduct unrelated business with the District, provided that discussions regarding this RFQ or the selection process do not occur outside of the designated procurement channels.

If a Proposer wishes to communicate with the Fire District Governing Board regarding this RFQ, such communication shall take place only at a public meeting that is properly noticed in accordance with Arizona Open Meeting Law (A.R.S. § 38-431 et seq.). Any such meeting must be scheduled through the Fire Chief or other designated District representative and publicly posted at least 24 hours in advance, identifying the participants and subject matter.

Failure to adhere to this policy may result in disqualification from this RFQ process or other remedial actions as determined by the District.

- 4. **Conflict of Interest.** The District reserves the right to disqualify any Proposer on the basis of any real or apparent conflict of interest that is disclosed by the proposal submitted or any other data available to the District. This disqualification is at the sole discretion of the District. Any Proposer submitting a proposal herein waives any right to object now or at any future time, before any body or agency, including but not limited to, the Sedona Fire District Governing Board or any court.
- 5. **Protest Policy.** Any and all protests relating to this RFQ shall be handled in accordance with A.R.S. § 34-603(J).
- 6. **Release of Project Information/Public Records.** The District may provide the release of all public information concerning the project, including selection announcements and contract awards. Those desiring to release information to the public must receive prior written approval from the District. To submit a public records request please visit: <a href="https://www.sedonafire.org/faqs/#records">www.sedonafire.org/faqs/#records</a>.
- 7. **Inquiries.** Please address all inquiries and questions to:

Ed Mezulis, Fire Chief 2860 Southwest Dr Sedona, AZ 86336 emezulis@sedonafire.org 928-204-8924

Any and all inquiries or questions should be received no later than five (5) days prior to the RFQ response due date. Inquiries of questions after that date may not be answered. All questions and answers may be posted on the District's website or issued as an addendum to the RFQ via a notification posted on the District's website.

#### **INSTRUCTIONS TO OFFEROR**

#### 1. PREPARATION OF STATEMENT:

- a. Electronic or facsimile offers will not be considered.
- b. The offer document shall be submitted with an original ink signature by a person authorized to sign the offer.
- c. Erasures, interlineations, or other modifications in the offer shall be initialed in original ink by the authorized person signing the Offer.
- d. It is the responsibility of all Offerors to examine the entire Request for Statement of Qualifications package and seek clarification of any item or requirement and to check all responses for accuracy before submitting a bid. Negligence in preparing an offer confers no right of withdrawal after offer due date and time.
- 2. INQUIRIES: Any question related to the Request for Statement of Qualifications shall be directed in writing or via e-mail no later than five (5) days prior to the Request opening date, to the person whose name appears on the front. Questions submitted after that period may not be answered due to time constraints. Any correspondence related to a Request for Statement of Qualifications should refer to the appropriate Request for Statement of Qualifications ID, page, and paragraph number. These questions and answers will be communicated to all via a formal Addendum to the solicitation, posted on the District's website as Q&A Clarifications. However, the Offeror shall not place the Request for Statement of Qualifications ID on the outside of any envelope containing questions since such an envelope may be identified as a sealed offer and may not be opened until after the official Request for Statement of Qualifications due date and time.
- **4. DUE DATE AND TIME:** Offerors must submit offers to Ed Mezulis, Fire Chief, Sedona Fire District or designee by 2:00 pm Arizona Time on June 15<sup>th</sup>, 2025 at the address or physical location listed on the Introduction/Offer Sheet (Page 1 of RFQ). Late offers will not be accepted.

- 5. **RFQ OFFER OPENING:** Offers shall be opened immediately following the time and at the place designated on the cover page of this document. The name of each Offeror and the identity of the Request for Statements of Qualifications for which the offer was submitted shall be publicly read and recorded in the presence of a witness. Offers, modifications, and all other information received in response of this Request for Statement of Qualifications shall be shown only to District personnel having legitimate interest in the evaluation. After award of the offer, the successful offer and the evaluation documentation shall be open for public inspection.
- **6. WITHDRAWAL OF RFQ OFFER:** At any time prior to the specified offer due date and time, an Offeror (or designated representative) may withdraw the offer. Facsimile offer withdrawals will not be considered.
- **7. AMENDMENT OF RFQ OFFER:** Receipt of an RFQ Amendment shall be acknowledged by signing and returning the original document prior to the specified offer due date and time or with the submittal.
- **8. PAYMENT:** The District will make every effort to process payment for the purchase of goods or services within thirty (30) calendar days after receipt of goods or services and a correct notice of amount due, unless a good faith dispute exists as to any obligation to pay all or a portion of the account.
- **9. TAXES:** The Sedona Fire District is exempt from Federal Excise Tax, including the Federal Transportation Tax. Sales tax, if any, shall be indicated as a separate item.
- **10. AWARD OF CONTRACT:** Notwithstanding any other provision of this Request for Statement of Qualifications, the District expressly reserves the right to:
  - a. Waive any immaterial defect or informality; or
  - b. Reject any or all offers, or portions thereof; or
  - c. Reissue a Request for Statement of Qualifications
  - d. Unless the Offeror states otherwise, the District reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the District. If the Offeror's offer is an "all or nothing" offer, it must be so indicated on the offer sheet.
- **11. SELECTION SCHEDULE TIMETABLE:** This schedule below is subject to change as indicated below. Please refer to the Sedona Fire District website for any updates: <a href="www.sedonafire.org">www.sedonafire.org</a>

# **12. EVALUATION OF STATEMENT OF QUALIFICATIONS (SOQ):** The CMAR will be selected through a qualifications-based selection process, which will consist of two (2) or possibly three (3) evaluated elements:

- a. Statements of Qualifications (SOQs) submitted in response to this RFQ
- b. Reference verification of the finalists
- c. Interviews of at least three (3) short-listed firms, if applicable

A Selection Committee will evaluate each RFQ according to the criteria set forth below. Based on the evaluation criteria scoring (worth a maximum of 100 points), scores for each firm will be evaluated to determine the Best Qualified for the project.

If applicable, prior to conducting the interviews, the District will perform a reference verification process by contacting and interviewing the references provided by the shortlisted firms. The firms receiving the highest evaluation score from the selection panel may be selected to interview for the contract (shortlisted firms). The interview invitation letter will provide the evaluation criteria to be used. The District reserves the right to conduct personal interviews or require presentations of any or all offers prior to the selection of the best-qualified firm.

The District will enter into negotiations with the top ranked firm and execute a contract upon completion of negotiation of fees and contract terms. If the District is unsuccessful in negotiating a contract with the top ranked team, the District may then negotiate with the next lower ranked team until a contract is executed. The District may decide to terminate the selection process at any time.

The Sedona Fire District shall evaluate offers based upon the following criteria listed below in relative order of importance. All respondents shall respond to the following items, which represent the weighted scoring criteria in the evaluation process. Responses to each of the criteria items below should begin on a new numbered page.

#### 13. Evaluation Criteria:

#### I. Experience and qualifications of the firm (30 points)

- a. Provide a general description of the firm and the team that is proposing to provide the contracted services. Provide an organizational chart that shows key team members and identifies the location from which they will perform their work.
- b. Identify at least three (3) comparable projects in which the firm served as the Construction Manager at Risk during design and construction phases (without providing construction services), and/or General Contractor. Special consideration will be given to firms that have provided Construction Manager at Risk services on similar successful projects.

- c. For each project identified, provide the following:
  - 1. Description of the project
  - 2. Role of the firm (specify whether Construction Manager at Risk or General Contractor. If Construction Manager at Risk or General Contractor, identify the percent of work self-performed. Also, specify services provided during design phase, i.e. cost estimating, scheduling, value engineering, etc.)
  - 3. Project's original contracted construction cost and final construction cost
  - 4. Construction dates
  - 5. Participation in partnering
  - 6. Project Owner
  - 7. Reference information (two names with current telephone numbers per project)
- d. Identify the location of the firm's principal office, and percent of the work to be done locally.

# II. Understanding of the project and approach to performing the required services (30 points)

- a. Discuss a basic scope of work you would utilize to accomplish all of the requirements contained within the Scope of Services.
- b. Describe systems used for planning, scheduling, estimating and managing construction. Briefly describe the firm's experience on partnering, quality control, dispute resolution, and safety management.
- c. Discuss the major issues your team has identified on this project and how you intend to address those issues
- d. Describe your firm's project management approach and team organization during preconstruction and construction phase services, including selection of subcontractors.

#### III. Experience of key personnel to be assigned to this project (20 points)

- a. For each key person identified, list their length of time with the firm and at least two (2) comparable projects in which they have played a primary role. If a project selected for a key person is the same as one selected for the firm, provide just the project name and the role of the key person. For other projects provide:
  - 1. Description of project
  - 2. Role of person
  - 3. Project's original contracted construction cost and final construction cost
  - 4. Construction dates
  - 5. Project owner
  - 6. Reference information (two names with current telephone numbers per project)
- b. List any proposed consultants, including key staff names and the experience and qualifications of these individuals.

#### IV. General information (10 points)

a. Provide a general description of the firm and/or team that is proposing to provide CMAR services and general construction services. Explain the legal organization of the proposed firm or team. Provide an organization chart showing key personnel.

#### b. Provide the following information:

- List the Arizona professional and contractor licenses held by the firm/team
  and the key personnel who will be assigned to this project. Provide the license
  number and explain if held by an individual or the firm (include in the
  appendix).
- 2. Identify any contract or subcontract held by the firm or officers of the firm, which has been terminated within the last five years. Identify any claims arising from a contract that resulted in litigation or arbitration within the last three years. Briefly describe the circumstances and the outcomes.
- 3. Provide a statement from an A- or better surety company to your company's bonding capacity. This information will be confidential and will not be made part of the public record. As indicated in Special Terms and Conditions, Item 10, this information will be returned to you (included in the appendix).

# V. Overall evaluation of the firm, and its ability to provide required services (10 points)

- a. An overall evaluation of the firm's capability to provide the required services as determined by the selection panel members. No additional submittal response is required.
- **14. DISCUSSIONS AND INTERVIEWS:** After the receipt of offers, discussions may be conducted with Offeror(s) who submit offers determined to be reasonably susceptible of being selected for award. The District reserves the right to conduct personal interviews or require presentation of any or all offers prior to selection or may recommend a firm for a contract award to the Sedona Fire District Board based on the original RFQ submittals. The District will not be liable for any costs incurred by the Offeror in connection with such interviews/presentations.

A Selection/Evaluation Committee will evaluate each Statement of Qualifications (SOQ) according to the above criteria. The Selection/Evaluation Committee, at its sole discretion, may select up to three (3) finalists that will be shortlisted for interviews, or may select a firm/team based solely on the scoring of the SOQs and reference checks.

**15. PROTEST POLICY:** Any and all protests relating to this RFQ shall be handled in accordance with A.R.S. § 34-603(J).

#### STANDARD TERMS AND CONDITIONS

- **1. CERTIFICATION:** By signature in the Offer section of the Offer Award Page, the Offeror certifies that:
  - a. The submission of the offer did not involve collusion or other anti-competitive practices.
  - b. The Offeror shall not discriminate against any employee or applicant for employment in violation of state or federal law.
  - c. The Offeror has not given, offered to give, or intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip favor, or service to a public servant in connection with the submitted offer. Failure to sign the offer, or signing it with a false statement, shall void the submitted offer or any resulting contracts, and the Offeror may be debarred.
- **2. GRATUITIES:** The District may, by written notice to the Offeror, cancel the resultant contract if it is found by the District that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Offeror or any agent or representative of the Offeror, to any officer or employee of the District with a view toward securing an order, securing favorable treatment with respect to the awarding, amending, or the making of any determinations with respect to the performing of such order. In the event the District pursuant to this provision cancels the resultant contract, the District shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of gratuity. Paying the expense of normal business meals, which are generally made available to all eligible District customers, shall not be prohibited by this paragraph.
- 3. APPLICABLE LAWS: In the performance of the resultant contract, Contractors shall abide by and conform to any and all laws of the United States, State of Arizona, and the Sedona Fire District including but not limited to federal and state executive orders providing for equal opportunities, the Federal Occupational Safety and Health Act and any other federal or state laws applicable to the contract.
  - a. The resultant contract shall be governed by the State of Arizona and suit pertaining to the contract may be brought only in courts in the State of Arizona.
  - b. This contract is subject to the following provisions as stated:
    - i. A.R.S §38-511: the District may cancel the contract without penalty or further obligations by the District or any of its departments or agencies if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the District or any of its departments or agencies, is at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract.
- **4. LEGAL REMEDIES:** All claims and controversies shall be subject to resolution according to the terms of the Sedona Fire District Procurement Procedure. A copy can be requested at the SFD Administrative office, 2860 Southwest Dr, Sedona AZ 86336.

- **5. CONTRACT:** The resultant contract between the Sedona Fire District and the Contractor shall include:
  - a. RFQ including instructions, all terms and conditions, specifications, scope of work, attachments, and any amendments thereto,
  - b. The offer submitted by the Offeror in response to the RFQ and any additional changes or amendments mutually negotiated.

The Sedona Fire District Scope of Services is provided with the solicitation. It is the Offeror's responsibility to review these documents and identify any conflicts/issues as part of the proposal. Please note that the Contract is subject to revisions suggested by the Sedona Fire District Board.

In event of a conflict in language between the RFQ and the Contract, the provisions and requirements of the Contract shall govern. However, the District reserves the right to clarify in writing, any contractual terms with the concurrence of the Offeror, and such a written contract shall govern in case of conflict with the applicable requirements stated in the Contract or the Offeror's offer. The RFQ shall govern in all other matters not affected by the written contract.

- **6. CONTRACT APPLICABILITY:** The Offeror shall substantially conform to the terms, conditions, specifications, and other requirements found within the text of this specific RFQ. All previous agreements, contracts, or other documents, which have been executed between the Offeror and the District, are not applicable to this RFQ or any resultant contract.
- 7. RELATIONSHIP TO PARTIES: It is clearly understood that each party will act in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other for any purpose whatsoever. The Offeror is advised that taxes or Social Security payments will not be withheld from any District payments issued hereunder and that the Offeror should arrange to pay directly such expenses, if any.
- **8. SUBCONTRACTS:** The Contractor shall enter into no subcontract with any other party to furnish any of the material, service, or construction specified herein without the advance written approval of the District. The Contractor is responsible for contract performance whether Subcontractors are used or not.
- **9. INDEMNIFICATION:** To the fullest extent permitted by law, the Contractor shall defend, indemnify and hold harmless the District, its agents, representatives, officers, directors, officials, and employees from and against all claims, damages, losses, and expenses (including but not limited to attorney fees, court costs, and the cost of appellate proceedings), relating to, arising out of, or alleged to have resulted from the acts, errors, mistakes, omissions, work or services of the Contractor, its employees, agents, or any tier of subcontractors in the performance of the resultant Contract. Contractor's duty to defend, hold harmless, and indemnify the District, its agents, representatives, officers, directors, officials, and employees shall arise in connection with any claim, damage, loss or expense, that is attributable to bodily injury, sickness, disease, death, or injury to, impairment, or destruction of property including loss of use resulting there from, caused by any acts, errors, mistakes, omissions, work or services in the performance of the resultant including any employee of the Contractor or any tier of subcontractor or any other person whose acts, errors, mistakes, omissions, work or services the Contractor may be legally liable. The amount and type of insurance coverage requirements set forth will in no way be construed as limiting the scope of the indemnity in this paragraph.

- **10. OVERCHARGES BY ANTITRUST VIOLATIONS:** The District maintains that, in practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the District any and all claims for such overcharges as to the goods and services used to fulfill the contract.
- 11. FORCE MAJEURE: Except for payment for sums due, neither party shall be liable to the other not deemed in default under the resultant contract if and to the extent that such party's performance of the contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; floods; lockouts; pandemics; injunctions-intervention-acts, or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with the resultant contract. Force Majeure shall not include the following occurrences:

- a. Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or similar occurrences.
- b. Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition.

Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure. If either party is delayed at any time in the progress of work by force majeure, then the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed *certificate-return receipt* and shall make specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing. The time of completion shall be extended by contract modification for a period equal to the time that the results or effects of such delay prevent the delayed party from performing in accordance with the resultant contract.

- **12. RIGHT TO ASSURANCE:** Whenever one party to the resultant contract in good faith has reason to question the other party's intent to perform, he may demand that the other party give written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the Contract.
- **13. RIGHT TO AUDIT RECORDS:** The District may, at reasonable times and places, audit the books and records of any contractor as related to any contract held with the District.
- **14. RIGHT TO INSPECT PLACE OF BUSINESS:** The District may, at reasonable times, inspect the place of business of a contractor or subcontractor that is related to the performance of any contract as awarded or to be awarded.

- **15. INSPECTION:** All material and/or services are subject to final inspection and acceptance by the District. Materials and/or services failing to conform to the specifications of the resultant contract will be held at Contractor's risk and may be returned to the Contractor. If returned, all costs are the responsibility of the Contractor. The District may elect to do any or all:
  - a. Waive the non-conformance
  - b. Stop the work immediately
  - c. Bring material into compliance

This shall be accomplished by a written determination for the District.

- **16. LIENS:** All materials, service or construction shall be free of all liens, and if the District requests, a formal release of all liens shall be delivered to the District.
- **17. LICENSES:** Contractor shall maintain all Federal, State, and Local Licenses and permits required for the operation of the business conducted by the contractor. This shall include a City of Sedona City Business License if applicable.
- **18. PATENTS AND COPYRIGHTS:** All services, information, computer program elements, reports and other deliverables, which may be patented or copyrighted and created under this RFQ are the property of the District and shall not be used or released by the Contractor or any other person except with the prior written permission of the District.
- **19. COST OF BID/OFFER:** The District shall not reimburse the cost of developing or providing any response to this RFQ. Offers submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner.
- **20.PUBLIC RECORD:** All offers submitted in response to this RFQ shall become a matter of public record available for review, subsequent to the award notification, in accordance with the District's Procurement Code.
- **21. TERMINATION FOR NON-APPROPRIATION:** Any contract entered into by the District shall terminate at the end of the then current fiscal period for non-appropriation of funds if the District's governing body fails to appropriate funds to pay for the payments contemplated by the contract. The District's fiscal period ends June 30<sup>th</sup> of each year.
- **22. WARRANTIES:** Vendor warrants that all goods delivered under this contract will conform to the requirements of this contract (including all applicable descriptions, specifications, drawings and samples), and will be free from defects in material and workmanship and will be free from defects in design and fit for the intended purpose. Any inspection or acceptance of the goods by Buyer shall not alter or affect the obligation of vendor or the right of Buyer under the foregoing warranties.
- **23.COOPERATIVE USE OF CONTRACT:** In addition to the Sedona Fire District and with the approval of the contracted vendor, this contract may be extended for use by other municipalities, school districts and government agencies of the State. Any such usage by other entities must be in accordance with the ordinance, charter and/or procurement rules and regulations of the respective political entity.
- **24.A.R.S § 35-392:** The District is prohibited from purchasing for a company that is in violation of the Export Administration Act.

- **25. COMPLIANCE WITH ARIZONA REVISED STATUTES (A.R.S.):** Procurement of professional services by a political subdivision within the State of Arizona is governed by A.R.S Title 34. By submitting an RFQ under this solicitation, the submitter certifies that said submittal and their conduct in relation to this solicitation complies with the requirements of A.R.S Title 34.
- 26. STATE AND FEDERAL IMMIGRATION LAWS: The Contractor is required to comply with A.R.S. § 41-4401, and hereby warrants that it will, at all times during this contract, comply with all federal immigration laws applicable to the employment of their respective employees (e.g., the Federal Immigration and Nationality Act), the requirements of A.R.S. § 41-4401, and with the e-verification requirements of A.R.S. § 23-214(A) (together the "state and federal immigration laws"). The contractor further agrees to ensure that each subcontractor (if any) that performs any work under this contract likewise complies with the state and federal immigration laws. The Contractor shall obtain statements from its subcontractors certifying compliance and shall furnish the statements to the District upon request. These warranties shall remain in effect through the term of the contract. The Contractor and its subcontractors shall also maintain Employment Eligibility Verification forms (I-9) as required by the U.S. Department of Labor's Immigration and Control Act, for all employees performing work under the Contract. I-9 forms are available for download at <a href="https://www.uscis.gov">www.uscis.gov</a>.

The District may request verification of compliance for any contractor or subcontractor performing work under the Contract. Should the District suspect or find that the Contractor or any of its subcontractors are not in compliance, the District may pursue all remedies allowed by law, including but not limited to: suspension of work, termination of the contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

- **27. CERTIFICATION ANTI-ISRAELI BOYCOTT:** To the extent applicable, the Contractor certifies that it does not currently, and agrees for the duration of the contract that it will not, engage in a boycott of goods or services from Israel. The Contractor further certifies that no wholly owned subsidiaries, majority-owned subsidiaries, parent companies, or affiliates of the Contractor (if any) are currently engaged in a boycott of Israel.
- 28. CERTIFICATION FORCED LABOR OF ETHNIC UYGHURS: To the extent applicable, the Contractor certifies that it does not currently, and agrees for the duration of the contract that it will not use: (1) the forced labor of ethnic Uyghurs in the People's Republic of China; (2) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; (3) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China. If the Contractor becomes aware during the term of the contract that it is not in compliance with this certification, the Contractor shall notify the District within five days of becoming aware of the noncompliance. If the Contractor does not provide the District with a written certification that it has remedied the noncompliance within one hundred eighty days after notifying the District of the noncompliance, the contract shall terminate.

#### SPECIAL TERMS AND CONDITIONS

- 1. **AUTHORITY:** This solicitation as well as any resultant contract is issued under the authority of the District. No alteration of any resultant contract may be made without the express written approval of the District in the form of an official contract amendment. Any attempt to alter any contract without such approval is a violation of the contract. Any such action is subject to the legal and contractual remedies available to the District inclusive of, but not limited to, contract cancellation, suspension and/or debarment of the contractor.
- **2. TERM OF CONTRACT:** The term of any resultant contract shall commence upon issuance of a contract awarded by the Sedona Fire District and shall continue until completion of the project, unless terminated, cancelled or extended as otherwise provided herein.
- **3. KEY PERSONNEL:** It is essential the Contractor provide adequate experienced personnel capable of and devoted to the successful accomplishment of work to be performed under any resultant contract. The Contractor must agree to assign specific individuals to the key positions.
  - a. The Contractor agrees that, once assigned to work under any resultant contract, key personnel shall not be removed or replaced without written notice to the District.
  - b. If key personnel are not available for work under any resultant contract for a continuous period exceeding 30 calendar days, or are expected to devote substantially less effort to the work than initially anticipated, the Contractor shall immediately notify the District, and shall, subject to the concurrence of the District, replace such personnel with personnel of substantially equal ability and qualifications.
- **4. CONFIDENTIAL INFORMATION:** If a person believes that a bid, proposal, offer, specification, or protest contains information that should be withheld, a statement advising the Purchasing Agent or Designee of this fact shall accompany the submission and the information shall be identified. The information identified by the person as confidential shall not be disclosed until the Purchasing Agent or Designee makes a written determination.
- 5. **CONFIDENTIALITY OF RECORDS:** The contractor shall establish and maintain procedures and controls that are acceptable to the District for the purpose of assuring that information contained in its records or obtained from the District remains confidential pursuant to applicable requirements.
- **6. RESULTANT CONTRACT:** The District will enter into negotiations with the selected firm and execute a contract upon completion of negotiation of fees and contract terms for The Sedona Fire District Board approval. If the District is unsuccessful in negotiating a contract with the best-qualified team, the District may then negotiate with the second or third most qualified team until a contract is executed, or may decide to terminate the selection process. A contract shall be issued between the District and the successful Offeror(s) following award by the District Board.
- 7. **COMPENSATION EVALUATION:** Pursuant to A.R.S 34-103, et. seq., the most qualified firm or person(s) shall be asked for priced proposals. In the event an agreement cannot be established with the top ranked firm or person(s), the negotiations shall be terminated and the next highest ranked firm or person(s) shall be asked for a priced proposal. This process shall continue in turn with the highest ranked and qualified firm or person(s) until an agreement is reached.

- **8. LIQUIDATED DAMAGES:** Liquidated damages shall be negotiated at the time of the contract negotiations for each calendar day of delay.
  - a. If the contract is not terminated, the contractor shall continue performance and be liable to the District for the liquidated damages until the products are delivered or services performed.
  - b. In the event that the District exercises its right of termination, the contractor shall be liable to the District for any excess costs, in addition to the liquidated damages until such time the District may reasonably obtain delivery or performance of similar supplies or services from another supplier.
- **9. INSURANCE:** The District requires a complete and valid certificate of insurance prior to the commencement of any service or activity specified in this solicitation. the District will notify the successful contractor(s) of the intent to issue a contract award. The successful contractor(s) shall submit a copy of the insurance certificate for coverage with minimum amounts stated. The coverage shall be maintained in full force and effect during the term of the contract and shall not serve to limit any liabilities or any other contractor obligations.
- **10.BONDS:** Firms are to submit one copy of a statement from an A- or better surety company to the Company's bonding capacity. This statement and a self-addressed stamped envelope (for return of the confidential material) shall be submitted with the RFQ packet in a separate sealed envelope, marked "CONFIDENTIAL". The outside of this sealed envelope should identify the firm and the project.

The successful Contractor will be required to provide a Bid Bond or Security made payable to the OWNER for an amount not less than ten percent (10%) of Bidder's Base Bid and Bid Alternates, and in the form of a certified or cashier's check. The Bid Bond or Security shall be issued by surety company or companies holding a certificate of authority to transact surety business in the State of Arizona issued by the Director of the Department of Insurance pursuant to Title 20, Chapter 2, Article 1.
